## State-Specific Physician Resources

### Virginia Clinicians for Climate Action

Advocacy and education resources on climate action for Clinicians in Virginia.

### Medical Society Consortium on Climate and Health

Climate advocacy resources by state.

### Empower DC

A citywide, multi-issue, membership-based community organizing project.

Empower DC works to strengthen organized political power among DC's lowest income communities to address issues of critical importance.

## Sustainability Resources

### Practice Greenhealth

Membership and networking organization for sustainable health care, and delivering environmental solutions to hospital and health systems in the U.S.

### Health Care Without Harm

A movement that works to transform health care worldwide so that it reduces its environmental footprint, becomes a community anchor for sustainability and a leader in the global movement for environmental health and justice.

### NAACP -DC Branch Campaign To Reduce Lead Exposure & Childhood Asthma

Contact: William Washburn [climate.naacpdc@gmail.com](mailto:climate.naacpdc@gmail.com)

### Twice By The Age of Two

Dept. of Energy and the Environment and Am. Academy of Pediatrics

### Lead Emergency Action for the District

Contact: Paul Schwartz - [paulschwartzdc@gmail.com](mailto:paulschwartzdc@gmail.com)
